

Would you like your dishes to be clean and dry, every time?  
Try Suma DIME Mini, a revolutionary dishwashing tablet with built-in rinse aid.

Thanks to its unique formulation, Suma DIME Mini ensures sparkling clean dishes after every wash cycle.

- The combination of detergency, rinse aid, anti-scaling, soil suspension and soft-metal safe properties in just one tablet delivers immediate powerful washing performance.
- The tablets are packed in a compact box which is space-saving for the kitchen.
- No installation of dosing equipment is required.

In one quick step, it removes stubborn food residue and grease in an easy and safe way, with greater cleaning consistency. Your dish cleaning can never be that perfect.

Suma DIME Mini is specially designed for under the counter dishwashers and glass washers.
