

SUMA COMBI™ SIMPLIFY YOUR DISHWASHING...

Dishwashing so simple
1 + 1 = 2 in 1

DETERGENT + RINSE AID = SUMA COMBI

Introducing Suma Combi, another innovation from Diversey. The simple and reliable way to get dishes clean and glassware sparkling, now with the convenience and efficiency of one detergent with a built-in rinse aid. At no extra cost.

Simply effective

Get the clean kitchenware your guests and your food deserve with the simplicity and operational ease of using just one product. Suma Combi has been proven to get all your kitchen ware clean, sparkling and dry – just as well as separate products.

Easy, safe and sustainable

Suma Combi is the solution that ensures you'll always have the right amount of detergent and rinse aid, together when you need them. The single pack is easier to handle than multiple canisters, simplifies ordering and inventory and reduces your packaging waste.

Simply efficient

With Suma Combi, you get all the benefits of a combined detergent and rinse aid with no additional annual cost. You do not need to buy a separate rinse aid anymore. It's efficient for your kitchen, efficient for your staff and just as important, it's efficient for your budget.

Some things were just meant to be together. Thanks to Diversey, machine dishwashing detergent and rinse aid are together at last with Suma Combi.

Just to make your life easier.

Get Suma Combi, the new detergent with built-in rinse aid that brings together effective cleaning solutions that are easier to use and easy on your budget. Some things were just meant to be together.
